Theo Wilenius

Computer Engineering Student

Profile

I am a 21-year-old computer engineering student at Åbo Akademi University, passionate about solving technological challenges and eager to learn new skills in this field. I am particularly interested in developing as a programmer, delving into data analytics and machine learning. I enjoy teamwork and am committed to use my skills to achieve set goals.

Experience

2024

Datateknologerna vid Åbo Akademi rf

Web Developer & Administrator

As a Web Developer & Administrator, I am responsible for the maintenance, development, and enhancement of our student association's websites, built on the Django framework. My role involves streamlining server operations, implementing feature upgrades, and diligently resolving issues. I contribute to our codebase by managing GitHub pull requests and ensure robust functionality and an engaging user experience.

June - August 2021

Suur-Seudun Osuuskauppa

Sales Associate, S-market Tupuri

As a salesperson at S-market, a supermarket chain, I had various customer service responsibilities in sales, product inquiries, and day-to-day operations, ensuring smooth and functioning customer experiences.

Summer 2019 & Summer 2020

Eriksberg Manor, Muurla, Salo

Landscaping & Maintenance

I managed various maintenance tasks at Eriksberg Manor, including gardening and general upkeep. I developed my organizational skills and contributed to the enhancement of the manor's environment.
